

IAPGeoethics Newsletter n. 5 (2015)

The International Association for Promoting Geoethics (IAPG) is a multidisciplinary, scientific community and aims at creating awareness about application of ethical principles to theoretical and practical aspects of Geosciences.

The IAPG is affiliated to the International Union of Geological Sciences (IUGS), is recognized as an International Associate Organization of the American Geosciences Institute (AGI), is recognized as an Associate Society of the Geological Society of America (GSA),

This is the official newsletter of the IAPG. It contains news about events, initiatives, publications on Geoethics by the IAPG

Send any kind of information about Geoethics that could be published in the IAPG webpages to: [**iapgeoethics@aol.com**](mailto:iapgeoethics@aol.com)

The IAPG is legally recognized as a not-for-profit association, has members in 95 countries in 5 continents, and can count on a network of **17 national sections**.

International Website: [**http://www.geoethics.org**](http://www.geoethics.org)

Blog: [**http://iapgeoethics.blogspot.it**](http://iapgeoethics.blogspot.it)

Membership

Becoming an IAPG member is easy! Fill in the form in the IAPG website at [**http://www.geoethics.org/membership.html**](http://www.geoethics.org/membership.html). No fee is required at this time.

The program of the IAPG session on Geoethics at the GSA Annual Meeting 2015 in Baltimore (USA) is out!

Look at the list of the 16 presentations from 23 authors:

<https://gsa.confex.com/gsa/2015AM/webprogram/Session37724.html>

The session is titled "**Ethics of Geoscience in practice and application**" and will be chaired by Cindy Palinkas and Vincent Cronin, co-coordinators of the section IAPG-USA.

The session will take place on Sunday, 1 November 2015, 1:30 PM-5:30 PM, Room 337 (Baltimore Convention Center).

The IAPG is an Associate Society of The GSA - Geological Society of America

First Colloquium on Geoethics in Peru

The Peruvian Geological Society-SGP (Sociedad Geologica del Perú) and the IAPG-Peru organize the "First Colloquium on Geoethics in Peru". The scheduled date is 12th October, and the Colloquium will take place in the SGA social center (28 de Julio Av. 745, Miraflores, Lima).

Lectio Magistralis on Geoethics

at the International Forum on Geological Risk Management.
Arequipa (Peru), 14-16 October 2015.

Silvia Peppoloni (IAPG Secretary General) will give a Lectio Magistralis titled:

"Geoethics: a framework for the management of the geosphere and georisks".

The IAPG-Peru patronizes the Forum.

CALL FOR ABSTRACTS

35th IGC - International Geological Congress 2016

The IAPG proposes two sessions:

Geoethics: general aspects and case-studies

Convenership: Giuseppe Di Capua, Peter Bobrowsky, Martin Bohle,
John Geissman, Silvia Peppoloni

(Theme: Global Geoscience Professionalism and Geoethics)

Geoethical perspectives on meeting the resource needs of future generations

Convenership: Silvia Peppoloni, Nic Bilham, Vitor Correia, Luca Demicheli
This session is a joint initiative IAPG, Geological Society of London, European
Federation of Geologists and EuroGeoSurveys
(Theme: Resourcing Future Generations)

Sessions descriptions in the IAPG website

The call for abstracts is open (**Deadline: 31 January 2016**).
Information on how to submit an abstract in the [IGC website](#)

CALL FOR PAPERS

IX Congreso Geológico de España

The IAPG-Spain proposes a symposium on Geoethics:

S6: "Geoética"

Convenership:

Domingo Martín Sánchez (Universidad Politécnica de Madrid),
Fermín Villarroya Gil (Universidad Complutense de Madrid),
Emilia H. Lopera Pareja (Centro de Investigaciones Energéticas, Medioambientales y
Tecnológicas).

Session description in the IAPG website

[Information about the paper submission](#)

Deadline: 15 March 2016

A new book on Geoethics:

Peppoloni Silvia and Giuseppe Di Capua (Eds.)

Geoethics: the Role and Responsibility of Geoscientists

2015, Geological Society, London, Special Publications, 419

ISBN 978-1-86239-726-2
