

IAPGeoethics Newsletter n. 4 (2015)

The International Association for Promoting Geoethics (IAPG) is a multidisciplinary, scientific community and aims at creating awareness about application of ethical principles to theoretical and practical aspects of Geosciences.

The IAPG is affiliated to the International Union of Geological Sciences (IUGS), is recognized as an International Associate Organization of the American Geosciences Institute (AGI), is recognized as an Associate Society of the Geological Society of America (GSA),

This is the official newsletter of the IAPG. It contains news about events, initiatives, publications on Geoethics by the IAPG

Send any kind of information about Geoethics that could be published in the IAPG webpages to: [**iapgeoethics@aol.com**](mailto:iapgeoethics@aol.com)

International Website: [**http://www.geoethics.org**](http://www.geoethics.org)

Blog: [**http://iapgeoethics.blogspot.it**](http://iapgeoethics.blogspot.it)

Membership

Becoming an IAPG member is easy! Fill in the form in the IAPG website at [**http://www.geoethics.org/membership.html**](http://www.geoethics.org/membership.html). No fee is required at this time.

Geoethics at the AGU Fall Meeting 2015

The IAPG promotes the session ED032 on Geoethics at the AGU FALL MEETING 2015, that will be held in San Francisco (USA) from 14 to 18 December 2015.

The session is titled:

Geoethics and Critical Thinking in Undergraduate Geoscience Classes.

Convenership: Dexter Perkins, Vincent Cronin and David Mogk.

**The deadline to submit an abstract is approaching
(11 August 2015, 11:59 P.M. PDT).**

Welcome to IAPG-Nigeria

The section is coordinated by Arinze Harrison Ikwumeleze (Raw Materials Research and Development Council, Federal Ministry of Science and Technology, Abuja).

He will be joined by a board consisting of Ettu Obassi, Aishatu Adamu Ahmed and Hillary Ezeh.

Geoethics, the Anthropocene and the Pope

by Gábor Paál for the IAPG Blog

A Video Lecture on Geoethics

Silvia Peppoloni, IAPG Secretary General, gave a video-lecture on Geoethics at the First National Conference of the African Association of Women in Geosciences Nigeria (AAWGN), held in Abuja on 15 and 16 June 2015.

The Video from the IAPG YouTube Channel

IAPG - International Association for Promoting Geoethics (<http://www.geoethics.org>)

35th IGC - International Geological Congress 2016

The IAPG proposes two sessions:

Geoethics: general aspects and case-studies

Convenership: G. Di Capua, P. Bobrowsky, M. Bohle, J. Geissman, S. Peppoloni
(Theme: Global Geoscience Professionalism and Geoethics)

Geoethical perspectives on meeting the resource needs of future generations

Convenership: S. Peppoloni, N. Bilham, V. Correia, L. Demicheli
This session is a joint initiative IAPG, Geological Society of London, European Federation of Geologists and EuroGeoSurveys
(Theme: Resourcing Future Generations)

The call for abstracts is open (deadline: 31 January 2016).

Information on how to submit an abstract in the [IGC website](#)

More information about these sessions will be available in the next IAPG newsletter

CAAGS

The IAPG is partner of the 8th Conference of the African Association of Women in Geosciences (AAWG), that will be held in Sibiu (Romania) from 1 to 7 October 2016.

Title of the conference: "Building Bridges between Earth Scientists Worldwide: A Way for Promoting Peace and Strengthening Integration".
