

INTERNATIONAL ASSOCIATION OF GEOMORPHOLOGISTS (IAG)
REGIONAL CONFERENCE ON GEOMORPHOLOGY
16 - 18 September, 2025, Timisoara, Romania

Dear Colleagues,

We would like to kindly remind you that the deadline for submitting abstracts for the session **TS22. GEOETHICS IN GEOMORPHOLOGY**, jointly organized by the International Association for Promoting Geoethics (IAPG) and the International Association of Geomorphologists (IAG), is fast approaching. The deadline for the submission is **January 31, 2025**.

This thematic session aims to bring together researchers, academics, professionals, and students interested in exploring the intersection of geomorphology and geoethics. We will discuss how scientific and technical decisions in the study of landscapes should be guided by ethical principles, considering both environmental and social impacts. Besides, the session seeks to raise awareness about the ethical responsibilities in geomorphological research and its application in decision-making that affects ecosystems and communities.

Participants are invited to submit abstracts for oral communications and posters, showcasing innovative research in this field.

The deadline for the abstract's submission is **31 January 2025**.

We look forward to your contributions and active participation!

Conveners: Elizabeth Rovere (IAPG) and Andrea Coronato (IAG)

Further information on the session and the submission of abstracts is found at <https://rcq2025.geomorphology.ro/programme/thematic-sessions/>

We look forward to meeting you at the Timisoara Regional Conference on Geomorphology 2025!!!

Elizabeth Rovere and Andrea Coronato
