

Online Panel Discussion

Ethics in Volcanic Disaster Risk Management

The IAVCEI Early Career Researchers (ECR) Network and the EGU Working Group on Geoethics are pleased to jointly host an online panel discussion.

A discussion exploring ethical challenges and responsibilities in volcanic disaster risk management — from scientific decision-making and uncertainty to communication and engagement with communities.

WHEN:

23 October 2026

TIME:

17:00 CEST

WHERE:

Online

Our Panelists

**Dr. Gerassimos A.
Papadopoulos**
Chairman, SafeGreece
(NGO), Greece

Prof. Jenni Barclay
AXA Chair in Volcanology,
University of Bristol, UK

Prof. Ilan Kelman
Prof. of Disasters and Health
University College London, UK
& The Arctic University, Norway

Prof. Gordon Woo
Visiting professor at the UCL
Department of Risk and Disaster
Reduction, UK

**Dr. Itahiza Domínguez
Cerdeña**
Director of the Volcano Monitoring
Group of Instituto Geográfico Nacional
(IGN), Spain

Dr. Elizabeth Ivonne Rovere
Geologist and Volcanologist
Vice President, International Association
for the Promotion of Geoethics (IAPG) |
SEGEMAR, Argentina (scientific
researcher retired)

Dr. Marco Bagnardi
Data Scientist and Geophysicist
USGS Volcano Science Centre-Cascades
Volcano Observatory, USA

Moderator | **Dr. Kyriaki Drymoni** MSCA Global Fellow, LMU Munich, Germany, currently visiting researcher at GEO3BCN (CSIC), Spain

How to participate
