

IAPGeoethics Newsletter n. 1 (2015)

The International Association for Promoting Geoethics (IAPG) is a multidisciplinary, scientific community and aims at creating awareness about application of ethical principles to theoretical and practical aspects of Geosciences.

The IAPG is affiliated to the International Union of Geological Sciences (IUGS), is recognized as an International Associate Organization of the American Geosciences Institute (AGI), is recognized as an Associate Society of the Geological Society of America (GSA).

This is the official newsletter of the IAPG. It contains news about events, initiatives, publications on Geoethics by the IAPG.

Send any kind of information about Geoethics that could be published in the IAPG webpages to: [**iapgeoethics@aol.com**](mailto:iapgeoethics@aol.com)

IAPG - International Association for Promoting Geoethics (<http://www.geoethics.org>)

The IAPG in Geospectrum (Spring 2015)

http://www.americangeosciences.org/sites/default/files/mmoses/Geospectrum_Spring_2015_1.pdf

The IAPG and the IGEO - International Geoscience Education Organisation have signed an Agreement of Co-operation on 20 May 2015. The agreement expresses a mutual desire to co-operate on a range of issues in the field of geoethics and geoscience education. Read more in the IAPG Blog: <http://iapgeoethics.blogspot.it/2015/05/the-iapg-has-signed-agreement-of-co.html>

Call for abstracts

at the **GSA Annual Meeting** in Baltimore (1-4 November 2015).
We invite colleagues to submit abstracts for the **IAPG session: T72. Ethics of
Geoscience in Practice and Application.**

Conveners: Cindy Palinkas & Vincent Cronin (IAPG-USA coordinators).
