

## **IAPGeoethics Newsletter n. 2 (2015)**

**The International Association for Promoting Geoethics (IAPG) is a multidisciplinary, scientific community and aims at creating awareness about application of ethical principles to theoretical and practical aspects of Geosciences.**

**The IAPG is affiliated to the International Union of Geological Sciences (IUGS), is recognized as an International Associate Organization of the American Geosciences Institute (AGI), is recognized as an Associate Society of the Geological Society of America (GSA).**

This is the official newsletter of the IAPG. It contains news about events, initiatives, publications on Geoethics by the IAPG.

Send any kind of information about Geoethics that could be published in the IAPG webpages to: [\*\*iapgeoethics@aol.com\*\*](mailto:iapgeoethics@aol.com)

New book on Geoethics:

**Peppoloni S. and Di Capua G. (Eds.). Geoethics: The Role and Responsibilities of Geoscientists. Geological Society, London, Special Publications, 419, first published online, 2015: <http://sp.lyellcollection.org/online-first/419>.**

Authors with different skills and from different countries present their views on geoethics, through the analysis of the ethical and social implications of studying and managing land, resources and natural hazards. They suggest models, methods and ideas to influence decision makers, to transfer scientific information to society and to encourage appropriate behaviour towards the geosphere.

New publication on Geoethics: **Peppoloni S., Bobrowsky P. and Di Capua G. (2015). Geoethics: A Challenge for Research Integrity in Geosciences. Part VI. Integrity and Society, Chapter 35, pp. 287-294, doi: 10.1142/9789814632393\_0035.** In: Steneck N., Anderson M., Kleinert S., Mayer T. (Eds.). Integrity in the Global Research Arena. 336 pp., World Scientific Publishing Co, ISBN: 978-981-4632-38-6. [Click here to read more.](#)

### **IAPG Video-Lecture in Nigeria**

IAPG will attend the First National Conference of the African Association of Women in Geosciences Nigeria (AAWGN), that will be held in Abuja on 15 and 16 June 2015. Silvia Peppoloni (IAPG Secretary General; in the picture above) will give a video-lecture on Geoethics.

**When approaching strategic, tactical & operational planning one needs to know about ostriches, denial, and prayers,**

by Franco Oboni and Cesar Oboni for the IAPG Blog.

### **The Geoethical Promise in practice!**

The YES Network has included the "Geoethical Promise" into the [Annex 2 - Code of Conduct \(pag. 9\)](#) of the Internal Rules enclosed to the New YES Statutes. We remind you that information about the ["Geoethical Promise" are available in the IAPG website](#). Thanks to the YES Network for promoting geoethical principles, as expressed by the Geoethical Promise, among the young geoscientists community!
